

IDAHO STATE ENERGY LOAN PROGRAM
PROJECT ADDENDUM

Addendum C: HVAC

Complete this portion of the application if you are planning on replacing an HVAC system as all or part of your energy project.

Section 1: HVAC Project Overview

Please check all components included in your HVAC project:

- ☐ Programmable Thermostat
- ☐ Heating System
- ☐ Central Air Conditioning
- ☐ Heat Pump
- ☐ Other: _____

Section 2: Project Details

Programmable Thermostat

- ☐ Thermostat is listed on contractor's bid

Heating System

System Type	Brand & Model	Energy Star Certified? (Yes/No)	Supporting Documentation Provided? (Yes/No)

If the selected model is **not** ENERGY STAR certified, please complete the following section to demonstrate energy efficient upgrade from current system:

Current Unit Information (Existing System):

- Type: _____
- Brand/Model: _____
- AFUE (Annual Fuel Utilization Efficiency): _____
- Age of Unit: _____
- ENERGY STAR Certified?: _____

IDAHO STATE ENERGY LOAN PROGRAM
PROJECT ADDENDUM

Proposed New Unit:

- Type: _____
- Brand/Model: _____
- AFUE (Annual Fuel Utilization Efficiency): _____
- ENERGY STAR Certified?: _____

Central Air Conditioning

System Type	Brand & Model	Energy Star Certified? (Yes/No)	Supporting Documentation Provided? (Yes/No)

If the selected model is **not** ENERGY STAR certified, please complete the following section to demonstrate energy efficient upgrade from current system:

Current Unit Information (Existing System):

- Type: _____
- Brand/Model: _____
- SEER/SEER2/EER/EER2: _____
- Age of Unit: _____
- ENERGY STAR Certified?: _____

Proposed New Unit:

- Type: _____
- Brand/Model: _____
- SEER/SEER2/EER/EER2: _____
- ENERGY STAR Certified?: _____

Heat Pump

System Type (e.g., Air source, etc.)	Brand & Model	Energy Star Certified? (Yes/No)	Supporting Documentation Provided? (Yes/No)
