

IDAHO STATE ENERGY LOAN PROGRAM
PROJECT ADDENDUM

Addendum E: Weatherization

Complete this portion of the application if you are planning on weatherizing your building as all or part of your energy project.

Section 1: Project Description

Please provide a brief description of the weatherization work to be completed. Include the areas of the home being addressed and the types of improvements planned (e.g., air sealing, duct sealing, weather stripping, caulking, etc.)

Section 2: Required Documentation

- ☐ A copy of the contractor's bid detailing the scope of work and estimated cost
