### **GOVERNOR ANNOUNCES RECIPIENTS OF THE** **2018 IDAHO AWARDS FOR LEADERSHIP IN** **ENERGY EFFICIENCY**

(BOISE) – Governor C.L. “Butch” Otter today announced the recipients of the **2018 Idaho Awards for Leadership in Energy Efficiency**. These awards acknowledge Idaho companies that exhibit leadership in implementing energy efficiency measures at their local facilities/buildings. The recipients of these awards are separated into two categories to acknowledge their achievements based on the type of facilities used and the business they operate: buildings and industry.

The recipients under the Buildings category are:

- **Brigham Young University Idaho in Rexburg, Idaho**
- **Idaho National Laboratory in Idaho Falls, Idaho**

The recipients under the Industry category are:

- **Agropur, Inc. – Jerome Cheese in Jerome, Idaho**
- **J.R. Simplot’s Don Plant in Pocatello, Idaho**

This year, the Governor has also announced a recipient for the Governor’s Award for Excellence in Energy Efficiency. This award honors a single facility/organization that demonstrates a commitment to energy efficiency at all levels of the organization through their programming, implementation and promotion.

The recipient of the Governor’s Award is:

- **Idaho Power Company in Boise, Idaho**

If you have any questions about this award, please contact John Chatburn with the Governor's Office of Energy and Mineral Resources. You can reach him at 208-332-1660 or [john.chatburn@oer.idaho.gov](mailto:john.chatburn@oer.idaho.gov).
