Office of Energy and Mineral Resources

2021 Idaho Awards for Leadership in Energy Efficiency- Application Period is Open

The Governor's Office of Energy and Mineral Resources (OEMR) is pleased to announce it is now accepting applications for the 2021 Idaho Awards for Leadership in Energy Efficiency. These awards acknowledge Idaho organizations that exhibit leadership in implementing energy efficiency measures at their local facilities/buildings.

OEMR invites organizations that have reduced their energy consumption through upgrades to their facilities and/or implemented programming to encourage energy saving behavior to apply. All upgrades and impacts realized by programming must have been completed in 2020. There are two types of awards available. One award is for organizations engaged in Idaho industry like manufacturing, agriculture or community maintenance at the local government level. The other award is for buildings that are used for commercial, educational, local government affairs or multi-family purposes.

For further qualifications, a list of potential eligible organizations, a link to the application, and for questions about the award process please visit the OEMR website at oemr.idaho.gov/ or call 208-332-1664. Complete applications should be mailed to PO Box 83720, Boise, ID 83720, or emailed to katie.pegan@oer.idaho.gov. **Applications are due on or before Friday, May 28, 2021.**
